

## WHAT WE DO.

People living with disability are among the most disadvantaged in the world. Many suffer from treatable deformities and injuries but are unable to access treatment due to poverty, isolation and the lack of surgeons skilled in plastic and reconstructive surgery.

*"We restore, repair, and make whole those parts of the face which nature has not given or which fortune has taken away – not so much that they may delight the eye, but that we should buoy up the spirit and help the mind of the afflicted."* Gaspare Tagliacozzi 1589 Italian Surgeon

Interplast Australia & New Zealand works with medical personnel in developing countries in the Asia Pacific region to provide treatment and deliver medical training in plastic and reconstructive surgery.

Treatment of conditions such as cleft lip, cleft palate and burn scar contractures provide patients with an opportunity to live a full and

productive life. Whilst training of medical personnel, aims to develop local self sufficiency.

Plastic and Reconstructive surgeons, anaesthetists and nurses from Australia and New Zealand all volunteer their time to participate in Interplast activities.

## WAYS YOU CAN HELP

### Make a gift

Giving to Interplast will make an instant and life changing difference to those who are treated, and increase the level of health services available in the countries in which we work.

### Join the Rebuilding Lives Fellowship

Become a Rebuilding Lives Fellow and make regular monthly gifts to Interplast via your credit card. Your regular donation will assist in the long term planning of Interplast activities.

### Make a tribute gift

Don't know what to buy someone for a present? Why not give the gift of changing a life by making a donation to Interplast in their name. Having a party and don't need another thing? Why not have your guests make a donation in lieu of a present. Contact Interplast for more information.

*"There is a wonderful mythical law of nature that the three things we crave most in life – happiness, freedom, and peace of mind – are always attained by giving them to someone else."* Peyton Conway March

### Other ways to be involved

There are many ways you can help

- Spread the word, share the goals and achievements of Interplast with your family, work colleagues and friends.
- Fundraise for us. Organise a dinner party with a purpose or a coffee date for a cause, have fun and raise funds to make a difference through Interplast.
- Bequests are one of the most generous of gifts you can make. Once you have provided for your loved ones you could consider leaving a gift in your will to Interplast Australia and New Zealand.
- Host a speaker. Interplast team members are available to speak at Rotary Clubs and other groups/organisations. Contact Interplast for more information

# DONATION FORM.

Yes, I'd like to help rebuild lives

Title \_\_\_\_\_
