This brochure was proudly donated by Red Egg and ASF Printing.

Interplast Australia (inc Vic) is a non profit company founded in 1983 as an association between the Royal Australasian College of Surgeons and Rotary District 980. It provides voluntary medical teams who carry out plastic and reconstructive surgery in developing countries. Programs are actively supported by Rotary Districts and Clubs throughout Australia and New Zealand. Rotarians are members of the Company, the Board and the Rotary Committee.
